Assessment of safety of product

Gloves SUPERMICRO SILVERNITE were laboratory examined in the accredited testing laboratory at the Regional Public Health Authority seated in Poprad, which was authorised (letter of Ministry of Health of SR no. 15654-3/2007ŠT) as *National Reference Laboratory for materials intended to come into contact with foodstuffs* according Regulation (EC) No 882/2004 on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules.

Gloves SUPERMICRO SILVERNITE were laboratory tested in accordance with the following legislation laws:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC
- Regulation of Ministry of Agriculture of Slovak republic and Ministry of Health of Slovak republic No 1799/2003-100 of 9 June 2003, which issued the fifth head of the Food Code governing materials and articles intended to come into contact with foodstuffs as amended.

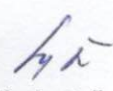

The conditions of the modeling migration tests and the selection of the foodstuffs simulants in laboratory examination are in compliance with the following legislation law *Commission Regulation (EU) No 10/2011 of 14 January 2011 relating to plastic materials and articles intended to come into contact with food.*

Samples of the gloves were tested and in the tested parameters meet the requirements of the *Commission Regulation (EU) No. 10/2011 of 14 January 2011 relating to plastic materials and articles intended to come into contact with food and amendments Commission Regulation (EU) No. 1282/2011, Commission Regulation (EU) No. 1183/2012, Commission Regulation (EU) No. 202/2014, Commission Regulation (EU) No. 174/2015, Commission Regulation (EU) No. 2016/1416, Commission Regulation (EU) No. 2017/752 and Commission Regulation (EU) No. 2018/79, Commission Regulation (EU) No. 2018/213 and Commission Regulation (EU) No. 2018/831, Commission Regulation (EU) No. 2019/37 and Commission Regulation (EU) No. 2019/1338.*

Following the laboratory examination results - in term of the health protection - **it is possible to recommended gloves SUPERMICRO SILVERNITE** produced by company MIRO GLOVES s.r.o., Brno, Czech Republic **on direct contact with following types of food :**
